EDUCATION

Bachelor of Technology in Computer Science and Engineering **2020-2024**
IIT Madras CGPA : 9.3

EXPERIENCES

Software Developer Intern | 7-Eleven Global Solution Center, Bangalore | October 2024 - December 2024

- Served as a Software Developer Intern with a primary focus on ReactJS, managing and resolving stories and bugs, and created comprehensive development test cases with Jest to ensure functionality.
- Conducted rigorous quality checks utilizing ESLint and SonarQube to maintain high code standards and performance.
- Delivering daily progress reports to the development team, incorporating feedback for continuous improvement.

PROJECTS

Bridge the Gap

- Developed a web application using **Flask, MySQL, HTML, CSS, JavaScript, and Bootstrap** to facilitate communication between citizens and government entities.
- Designed and implemented frontend and backend components, ensuring seamless user interaction and data management.
- Built RESTful APIs, optimized database performance, and ensured secure authentication.

Motor Vehicle Maintenance at Home

- Developed an online booking platform using **PHP, JavaScript, HTML, CSS, and MySQL (XAMPP)** for vehicle maintenance services.
- Designed a responsive UI and implemented backend logic for handling customer bookings.
- Integrated database management and email notifications for booking confirmations.

CalmEase Chat

- Built an AI-powered chatbot using **Python, NLP, Machine Learning, and nltk** to provide a calming conversation experience.
- Implemented text processing, sentiment analysis, and chatbot training models for improved user interactions.
- Optimized chatbot responses and deployed the system for real-time engagement.

TECHNICAL SKILLS

- **Programming Languages**: C, Python, Java
- **Front-End Development**: HTML, CSS, JavaScript, Bootstrap, React, React Native
- **Back-End Development**: Flask, Node.js, Express.js
- **Databases**: MySQL, MongoDB
- **Tools**: JIRA, Git, Sonar, VS Code
- **Testing Framework**: Jest

CERTIFICATIONS

- **Certified in Responsive Web Design:** Achieved certification from FreeCodeCamp.
- **Certified in ReactJS:** Completed certification through Internshala.
- **Certified in Python for Data Science:** Earned certification from Cognitive Class.
- **Certified in HTML & CSS**: Acquired certification from Microsoft Technology Associate.

ACHIVEMENTS

- **First Prize at Citizen Hack '22:** Recognized by Miracle Software Systems for innovative project development.
- **Smart India Hackathon 2022 Participant:** Competed nationally at IIT Roorkee, Uttarakhand.
